March 2026

Note from the Principal:

Hello Vineyard Families! Can you believe we're already down to just a few months of school? It's the perfect time to start thinking ahead to next year! To help with your planning, we've attached a re-enrollment form. Please take a moment to complete it and return it as soon as possible. We have families eager to join our school, and if you'd like to secure your spot for next year, a prompt response is key. Keep in mind that the registration fee is what officially reserves your place in class.

Beginning May 1, we will open enrollment to outside families, but we wanted to give you the chance to secure your spot first.

May God bless and guide you as you make your plans for the upcoming school year!

Coming Events:

Spring Carnival/Silent Auction: Plans are well under way. It will be Friday, March 20, 5:30 – 8:00. We will be doing a western theme this year. Come dressed in your western clothing and receive an extra ticket to play the games! Tickets are 1 for \$1.00 or 25 for \$20.00. Most of the games cost only one ticket. There will be chili, hot dogs, chips, and drinks to purchase. We need quite a few volunteers to help work the booths. Please see the attached slip to sign up. We are also looking for items for our silent auction. If you have any new items that you don't want but someone else might, please send them our way. Anything from household items, toys, or gift certificates from businesses would be appreciated. We can also use any used stuffed animals or baby dolls that are in good shape. They will be washed and used in one of our games.

Spring Break: Spring break begins on Monday, March 23th and ends Friday, March 27th. Classes will resume Monday, March 30st.

Congratulations:

The Students of the Month for January were:

Preschool – *Lilleigh Cofer*

Pre-K – *Brooke Massey*

Kindergarten – *Aurora Newell*

1st Grade – *Daxton Davis*

2nd Grade – *Jonah Reid*

3rd Grade – *Uriah Ellis*

4th Grades – *Juliette Bacon*

5th & 6th Grades – *Adelyn Kimzey*

7th & 8th Grades – *Braxton Shoemaker*

The students displaying Christian Character for the Month of January were:

Preschool – *Nathaniel Castro*

Pre-K – *Paisley Davis*

Kindergarten – *Leanna Rial*

1st Grade – *Charlotte Clary*

2nd Grade – *Lane Roy*

3rd Grade – *Anniston Daley*

4th Grade – *Maison Mockridge*

5th & 6th Grades – *Addalynn Grubbs*

7th & 8th Grades – *Everett Johnson*

Preschool – Miss Bleeker

March is here! The students have done a great job with their letter and number recognition. I am so proud of their efforts with their colors and shapes, too. All the students have come a long way and continue to make excellent progress in all that we have endeavored to learn!

We have been learning about the wonderful creations God has made. With spring coming we will be getting some hands-on experience in God's beautiful world. The memory verse for March is on faithfulness. "God is faithful." 1 Corinthians 1:9

Pre-K – Mrs. Dahl

Spring is just around the corner. We are looking forward to getting to play outside again for our second recess.

Our ABC/123 time includes making three and four letter words from the blends that the students have learned. This seems to be a favorite thing to do for many of them. We have started reading groups. We are counting up to 50 now, although many can count beyond that!

Our new memory verse is Philippians 4:19, "My God shall supply all your needs".

The Spring Carnival/Silent Auction is something you don't want to miss on Friday, March 20th. It is a fun evening for the whole family!

Please help your child review letter and number recognition and blends over spring break to keep them fresh in their mind. Five minutes a day can make a huge difference. I hope you have a fun and safe spring break with your family!

Kindergarten – Mrs. Kimzey

We have made it to March!!! Spring, beautiful flowers and sunshine are returning. This month we have our carnival and silent auction on the 20th, AND no school from 3/23 to 3/27! Hope you all find fun and relaxing ways to enjoy this time off. Please continue to do reading homework with your children as they really benefit from that one-on-one time with you. By now, they should all be able to read 1 vowel words and be working on 2 vowel words. One vowel word rule is it usually says its short vowel sound and in 2 vowel words, the 1st vowel says its long vowel sound while the 2nd vowel is silent.

1st Grade – Miss Nicole

February was a busy month! I appreciate all your support in helping your students with all the events that happened.

In history, we've had fun traveling around the world and learning about different countries and cultures. Soon, we'll be moving into our last learning unit, science. The students are excited to start exploring our solar system. In math we're learning how to add two-digit numbers and have gone through all our combinations up to the 11's family.

Please continue to work with your students every evening with their reading homework. Our books are becoming increasingly more challenging, and I have seen huge progress among all the students. It's because of this nightly diligence that they're able to move through their reading books. I appreciate all your help at home helping your children to thrive in the classroom.

2nd Grade- Mrs. Garrett

It's almost Spring! We are now beginning to learn multiplication in class. It would be very helpful for your child to practice their multiplication facts at home as well. During our Bible time we are learning more about the miracles that Jesus did while he was on Earth. If you have any questions, please reach out.

3rd Grade-Mrs. Thomas

It is so nice to see spring on the way. We are finishing up our science book this month and starting health. In history, we continue to be inspired by the ones who have gone before us. Their dedication to putting others before themselves is amazing. Bible class continues to challenge our faith and bring up lively conversation. I am very proud of the way the students have gone after learning math concepts and facts. I encourage you to come up to the class and see how your child is doing on our "Star Charts."

4th Grade – Mrs. Ellis

Spring is almost here; this is going to be a busy month for us. We are finishing up our 5th book report. In history, we are starting to learn about WWII. Please keep a look out for the study guides coming home. This will also be our last quarter for science and then we move on to health. In Bible, we are learning about Paul and the Corinthians. I also want to thank all the students on what a great job they did on the Academic Fair. It was fun to see and taste the creativity that was put into each project.

5th & 6th Grades – Mr. Hall

We will be having our field trip to ScienceWorks on March 4th, and we are looking forward to a great learning experience together. This month's reading book report will focus on the animal genre. Fifth graders will need to choose a book with at least 175 pages, and sixth graders will need a book with at least 225 pages. Students will be creating "trading cards" based on characters from their books as part of the project. In addition, students will be working on their science projects during class time, and more details will be coming soon. Please continue checking your child's assignment pad daily to stay informed about homework. God bless!

7th & 8th Grades – Mrs. Jones

As we begin this month, we will be reading the book Bronze Bow. The next book report will be a realistic fiction that is 300 pages. It will be due on March 30th. In science we will continue to study anatomy, orders, and life cycles of insects.

In history we will study World War I, The Roaring Twenties, and the Great Depression. The current event this month is due on the 11th.
